

South Tahoe Finds Incorporation Is Advisable In Area

Small Additional Cost Will Provide Benefits To Community

That Lake Valley, South Tahoe, will soon become an incorporated city seemed assured following a meeting of the South Shore Chamber of Commerce last Thursday.

Although the directors of the chamber were anxious to begin the steps that they hope will wind up with incorporating all the area into a city, Chairman Ralph Kingston called upon an official of Griffenhagen-Kroeger, Inc., to explain the contents of his company's survey on local government for South Tahoe.

Kroeger admitted the survey was completely one-sided in favor of incorporation although an unbiased survey has been conducted. The facts and figures showed "spectacular results" and virtually eliminated any argument against incorporating.

The speaker asserted that the only apparent question was whether the people of the area are concerned enough to want local control as guaranteed by incorporation. "If you want local control, you can have it at a nominal cost," he declared.

The survey indicated that while the individual taxpayer will pay an additional 50 cents per \$100 of assessed valuation more than under the present county government plan, "we feel that eventually overall costs can be substantially reduced through lowering of utility rates and insurance."

"We are certain that a city council will be more responsive to the needs of the community than the county government," the report said.

Another point emphasized was the fact that incorporation would provide a means of coordinating public services now being supplied by special districts. Increased efficiency, greater economy and improved services can result from incorporation, the directors were told.

Another strong point brought out was that incorporation will increase the community's political effectiveness and will confer added powers for self determination of local affairs.

"Instead of having to rely upon a single member of the five-man board of supervisors for political representation we will be able to choose our own governing body," the report declared.

A number of other reasons for incorporating were brought out at the meeting, but little against the movement could be expressed.

Much of the success of incorporating would depend upon the selection of a city council," Kroeger declared. It could go sour, but only if the people allowed it to do so. He added that the present problems could get worse.

SAFETY CLASS TO BE HELD FOR HUNTERS

A hunter safety training class will be held for all children between the ages of 11 and 15 at the Veterans Memorial Building in Truckee on August 29, August 31 and September 2.

Children wishing to qualify for hunting licenses must attend all three classes. Classes will be from 7 p. m. to 9 p. m. on each of the above dates. Students are not to bring any guns to the classes as the firearms needed will be furnished by the instructors.

This will be the final class before the opening of the deer season on September 24 and those wishing to get their hunting licenses, that have not received this training, are urged to attend.

FOOTBALL PLAYERS WILL TAKE EXAMS

All boys not previously enrolled at the Tahoe Truckee High School who are planning on going out for football are requested to get a physical examination from their family doctor before the start of football practice September 29.

The required forms must be obtained from the high school prior to the examination.

Through the courtesy and cooperation of the doctors in the district, no charge will be made for this service.

Service Officer Here

The Nevada County veterans' service officer will be in Truckee on Friday, August 19 between 10 a. m. and 3 p. m. Anyone desiring the services of this office may do so at the office of Judge F. W. Wilson in the justice court during the hours indicated.

Son Visits—

Mr. and Mrs. Mike Popovich entertained their son and daughter-in-law, Mr. and Mrs. Ron Popovich and their two children during the weekend.

New Home—

Mr. and Mrs. Harley Mann are the purchasers of a home at Gateway, according to Mrs. Eve Popovich, local broker. Mann operates a local jewelry store.

\$1,000,000 Station For Kingvale Will Be Built By State

The state division of architecture is issuing a call for bids for a new maintenance station to be located three miles west of Soda Springs near Kingvale to cost in the vicinity of \$1,000,000.

Plans call for a seven room building with 52,000 square feet of floor space, a three story dormitory with dining facilities for the 92 men to be employed in the district, a car port for 50 cars and two three-bedroom residences for the superintendents.

Bids will be opened September 13, according to the Capitol News Service at Sacramento.

Legislators Meet In Squaw Sept 1st

Senator Ronald G. "Ron" Cameron, 7th District, Placer, Sierra and Nevada Counties, a member of the senate fact finding committee on natural resources, announced that the committee will convene at Squaw Valley Inn September 1 and 2, to consider all aspects of the operation, proposed expansion and disposition of the Squaw Valley State Park.

Cameron stated that there are many recent developments that need clarification, some of which are unresolved issues resulting from the management of the area by the California Olympic Organizing Committee and some which have occurred in the transfer of the facilities from the California Olympic Commission to the State Division of Beaches and Parks.

"The recreational potential of Squaw Valley State Park is tremendous," Cameron said. "However, it is incumbent on the legislature to insure that the state's investment in the valley is adequately protected in any plans for expansion or in any agreement entered into by the state for its operation." He stated further that it is the intention of the committee to recommend to the legislature a course for future action.

TOUR IS CONDUCTED TO PROSSER PROJECT

More than 100 guests of the Carson-Truckee Conservancy District, of which Edward Peckham of Reno is president, today are making a tour of the Prosser Creek damsite, first stage of construction in the \$53,000,000 Washoe project.

Among those from Truckee attending the tour, luncheon and dinner today are Wilbur Bell, manager of the Truckee Public Utility District and Lee Apple and N. F. Dolley representing the Truckee Donner Chamber of Commerce.

The group met at the Holiday Hotel for luncheon and this afternoon are inspecting the site by bus. A banquet will be held in the Holiday tonight.

LUNCH PRICES RAISE IN LOCAL SCHOOLS

Lunch prices in the schools of Tahoe Truckee Unified District are going up.

At a recent meeting of the governing board it was decided to raise the prices from the 25 cent bracket to 60 cents for adults; 35 cents for high school students, with the cost to elementary students remaining at 25 cents.

The portions will be increased and milk will be supplied with the lunch at the new prices.

ESTELLE THOMAS IS WED TO GREENHOUSE

Reno marriage license for couples of the Truckee, Lake Tahoe district were issued during the weekend, including Peter Henry Greenhouse and Estelle R. Thomas, both of Truckee; Frank Munoz of Truckee and Rene Yorba of Berkeley and Kelly Jett, Jr., and Janice Lauback both of Crystal Bay, Nevada.

SEE SATELLITE

Local residents have been viewing from various vantage points the gleaming balloon of the new Echo satellite which has been seen at different hours during its rapid circling in the sky.

Return To Arizona—

Mrs. Naomi Hursey wrote that the family has sold their property at Fallon, Nevada and returned to live at Phoenix, Arizona.

\$2,500,000 Project On Martis Given Approval By U. S.

Project Would Provide For Flood Protection In Reno Area

WASHINGTON, D. C.—Construction of a flood control reservoir on Martis Creek, Placer County tributary to the Truckee River, and bank protection work in the City of Reno has been approved by the South Pacific division of the army corps of engineers.

Congressman Harold T. (Bizz) Johnson of the 2nd, valley-mountain counties, district has been advised by Brigadier General R. G. MacDonnell, division engineer, that he is recommending to an army board of engineers that the work proceed.

Cost of the project would be \$2,500,000, of which about \$400,000 would be borne by local interests. The annual cost of maintenance, estimated at \$26,000 per year, would be borne by local interests.

General MacDonnell told Representative Johnson that the earth fill dam would create a reservoir to function solely for flood control. The size of the ungated outlet would restrict flood waters sufficiently to prevent appreciable contributions from Martis Creek to Truckee River floods.

The temporary storage would drain automatically from the reservoir within a short time following floods.

"The recommended improvement, in conjunction with existing and authorized water control facilities in the basin," General MacDonnell said, "would afford a reasonably high degree of flood protection to Reno. However, it is to be noted that the city still would be susceptible to possible damage from rare floods of exceptionally large magnitude."

The proposal now goes before the Board of Engineers for Rivers and Harbors, U. S. Army, in Washington, D. C.

Tahoe City Wins In Little League Tilts

Tahoe City Little Leaguers remain well in front as the season draws to a close, having won 13 games and lost three.

Tonight, Kings Beach plays at Truckee, and Donner Lake at Tahoe City to end the season with the exception of playoff.

There will be a meeting of the Donner Lake and Truckee parents at the high school Monday evening at 8 o'clock.

The games between the moms and dads of Truckee and Donner Lake Sunday was enjoyed by a large crowd and the benefit was pronounced a success.

OLD BUILDINGS ARE REMOVED ON STREET

A serious fire hazard was eliminated this week with the removal or demolition of four buildings on East Main Street. The buildings had been placed on the Costa property during the removal of structures to pave the way for the new freeway, and had been neglected since that time.

This week they were purchased by Calvin McKinley and two will be demolished and two, in fair repair, will be removed to the Lloyd Van Sickle lots south of the Truckee River, remodeled and placed in use.

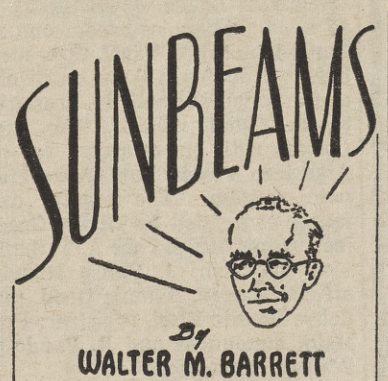

Sam Costa said the lots on East Main Street are being cleared for possible construction purposes.

INTERSTATE WATER GROUP WILL MEET

The joint California-Nevada Interstate Compact Commission will hold its regular meeting at 10 a. m. Tuesday, August 23, in the Holiday Hotel at Reno, Nevada.

Agenda for the meeting calls for discussion of the group's status in negotiating for a compact between the two states over waters of the Truckee, Carson, and Walker Rivers.

Other business will include committee reports on engineering determinations, special problems of Lake Tahoe and the Carson River, and the drafting language of the compact.

Twenty four years ago on August 13, Mr. and Mrs. Walter Barrett, present owners of the Sierra Sun and Truckee Republican published their first issue of the newspaper, devoted to consistently serving the best interests of the Truckee, Donner Lake and Lake Tahoe area. They are beginning their 25th year with high hope, enthusiasm and confidence in the district, as they looked forward in 1936. The Truckee Republican was established in 1869.

Search Continues For Bat Bitten Man

Officers this week reported that thus far their search for a 33-year-old disabled Korean war veteran who may die unless he receives a series of inoculations against the bite of a possible rabid bat, has failed.

Area Sanitarian Richard Walker said he has made a thorough search for the man, David Searle, reported to have been living in a small cabin near Norden, but without success. An all points bulletin also was dispatched in an effort to locate Searle.

The man went to San Francisco General Hospital on July 27 and reported that he thought he had been bitten by a bat two days earlier as he lay asleep on an old army cot.

Resident physician Dr. Thomas Minell said chances were slight that the bat was rabid, but if so, without a series of 14 shots, chances are that Searle would die.

Searle took the first seven shots, but has failed to return for the last half of the series. He has not been seen since August 3.

LAST RITES ARE HELD FOR DONALD W. RYAN

Funeral services were held last Wednesday at Fort Rosecrans Military Cemetery for Donald W. Ryan, 57, a retired navy lieutenant, who expired following an extended illness in San Diego, August 6. The Catholic chaplain officiated and full military rites were given the former Truckee man.

Ryan was a native of Randolph, Minnesota. He worked in Truckee for the Southern Pacific Company for two years before he and Mrs. Ryan left for the south in 1951.

Besides his wife, Ryan leaves two step-daughters, Mrs. Marian Grayson of Seattle and Mrs. Michael Ellis of Truckee. A sister lives in Milwaukee.

Mrs. Ryan, who visited here last week with her daughter and family, said that after taking care of affairs needing her attention, she plans to leave for Milwaukee where she will make her home.

DONALD GREEN NOW FULL FLEDGED SCOUT

Donald Green, local Boy Scout passed his tenderfoot requirements at the regular meeting of Troop 7, Boy Scouts, Truckee, Monday evening. James Drummond, second class Boy Scout, and son of the new principal of the Tahoe Truckee High School, joined Troop 7. Plans were completed for the Boy Scout campout on August 20. Any further information can be obtained from Scoutmaster John Goldsmith.

TWO BABIES BORN AT TRUCKEE HOSPITAL

Mr. and Mrs. Oliver M. Henrikson of Tahoe City welcomed their son at Tahoe Forest Hospital August 13. His arrival weight and given names were not announced. Pablo Inez were the chosen names for the son of Mr. and Mrs. Pablo Fernandez of Truckee, born at the local hospital August 12.

ICE CREAM SOCIAL
Attention is again called to the old-fashioned ice cream social, sponsored by the Women's Society of Christian Service, to be held this evening at the Church of the Mountains, Methodist, in Truckee at 7 p. m. The public is invited.

Dr. Wyatt Held For Trial After Home At Tahoe Raided

Bail Set at \$10,000 After Well Known Doctor Was Arrested

RENO—Dr. Thomas B. Wyatt, a Crystal Bay surgeon, was charged with attempted abortion following his arrest by the new Washoe County special investigating team.

Dr. Wyatt, who is also affiliated with the management of the Carson Hot Springs in Carson City, was arrested at his Crystal Bay home, which has reportedly been equipped for child deliveries and abortions.

The doctor was arraigned in Reno Justice Court for an attempted abortion on a woman identified as Gladys Jose, and bail was set at \$10,000 by Judge Harold Depauli, acting justice of the peace of Reno. A preliminary hearing will be held at 2 p. m. on Sept. 22.

District Attorney William Raggio and Assistant District Attorney Drake Delaney, who were in close contact with the special investigators who made the arrest, had high praise for their activity. The special unit has been in operation only about three weeks.

Delaney said the local district attorney's office has been in contact with investigators from the Board of California Medical Examiners for several months. About 10 a. m., he said, members of the local intelligence unit and several California authorities placed Dr. Wyatt's house at Crystal Bay under surveillance. A few minutes later, two women investigators entered Dr. Wyatt's home and found him in an operating room.

There were several operating rooms in the house, Delaney said, as well as a medical office and two recuperating rooms on the lower floor. The top floor consisted of his living quarters.

Delaney said an unidentified woman was found in the building, and it was believed she had given birth to a child on that day. Investigation will be made to determine whether questionable adoption procedures were also being carried on, he commented.

The doctor was being held in Washoe County jail in Reno pending the posting of bail.

Donald Trask Dies At Belmont Home

Funeral services were held at 1:30 o'clock last Thursday in the Church of The Good Shepherd, Episcopal at Belmont, following a Requiem Eucharist celebrated in the edifice that morning for Donald M. Trask, age 28 years of Belmont and a former teacher in the Tahoe Truckee schools.

Interment was in Beverly, Massachusetts. He was a native of Concord, New Hampshire, the son of Mr. and Mrs. Edward Trask of Belmont, well known former Truckee residents.

Two brothers, Rev. Richard E. Trask of Clementon, New Jersey and Robert Trask of Belmont also survive.

The young man was a member of the Phi Gamma Delta Fraternity and an associate member of Harvard-Radcliffe Chapter of Sigma XI.

The many friends of the family in Tahoe and Truckee area were saddened by his untimely death.

WOMAN ADMITS BAD CHECK CHARGE HERE

Katherine Emma Ingersoll, 47, Salt Lake City, surrendered to local officers last week, stating that she had passed almost \$300 in worthless checks in Sacramento, Elko, Nevada, South Lake Tahoe and Kings Beach. All of the checks, officers were told were in small amounts and were widely scattered. After investigation, the suspect was turned over the Placer County authorities on a petty theft charge, Chief Deputy Roy Waters reported.

Wins Chest

Mrs. A. Ghirard of Truckee won the lovely cedar chest given away by the Assumption Guild Sunday. Members wish to thank everyone for helping make the event such a huge success.

Date Observed—

Harold Langille observed his natal date August 14 with members of his family.

Cameron Slated To Address Chamber Next Wednesday

State Senator Ronald G. Cameron is scheduled to address a meeting of the Truckee Donner Chamber of Commerce at Donner Lake Lodge at noon August 24 and may meet with the Truckee Lions Club that same evening.

Chamber Manager N. F. Dolley, who invited the senator to attend the meetings, said he had been informed that Cameron would make every effort to be here, although he could give no definite answer until the end of this week.

Cameron has been asked to explain the delay in starting the Donner State Park Interpretative Center by the division of beaches and parks. Money for this museum was appropriated in 1957 and re-appropriated last year, but to date no action has been taken to start the structure.

Park officials explained that the realignment of Highway 40 had caused the delay, but now that the problem has been removed, still no action has been started.

In his letter to Dolley, Cameron said that he has been assured the work will start in the late spring or early summer of 1961.

On a recent visit to Truckee, Representative Harold T. Johnson urged the chamber to continue its effort to have the interpretative center built as two other similar projects approved at the same time when Johnson was in the state senate are either completed or well under way.

Rabies Clinic Will Be Held August 21

Area Sanitarian Richard Walker announced that the annual rabies immunization clinics have been scheduled by the Nevada County Health Department. Dr. Law and Dr. Knox of Grass Valley will set up a clinic in Truckee, Sunday, August 21 at the fire station. Hours will be from 10 a. m. until noon and a charge of \$2 per animal will be made.

Dr. Ray H. Wiser, Nevada County's health officer, stressed that all dogs should be immunized against rabies. A July discovery of rabies in a common brown bat from the Hills Flat area indicates that rabies is present in the wild life of the county.

Immunization of dogs against this disease, Walker declared, not only protects the animal but might prevent a case of human rabies.

CHILDREN START FIRE IN DONNER DISTRICT

Believed to have been started by children playing with matches, a fire Saturday afternoon about 2 o'clock was extinguished by the Donner Lake Volunteer Fire Department.

The blaze was started at Maple and Cottonwood Streets at the west end of Donner.

When the Donner department experienced momentary trouble getting the equipment started, a call was dispatched for the Truckee volunteers, but by the time the latter arrived, the Donner department had the situation well in hand and only a small area was burned over.

STATE RECEIVES FUND FOR PUBLIC ROADS

The bureau of public roads has announced California will receive \$4,726,000 in fiscal year 1962 for construction projects on forest highways.

Congressman Harold T. (Bizz) Johnson of the 2nd, valley-mountain counties, district said this amount is the same as it is for the current fiscal year.

The projects to be financed by the federal funds will be programmed and undertaken jointly by bureau of public roads, forest service and State of California.

BARBECUE PLANNED BY LOCAL SPORTSMEN

Members of the Truckee Outdoor Sportsmen will meet at Charles Osburn's home at 7 p. m. Friday when they will have a barbecue and discussion of the coming deer derby. Each member is requested to take a steak for the meeting.

Took Summer Course—

Mr. and Mrs. Henry Sammet of Berkeley are vacationing here following the latter's completion of a summer course at San Francisco State College.

One Killed, 10 Hurt In 15 Accidents During Past Week

Herbert Carl Hensley Dies As Car Plunges Off Donner Grade

Herbert Carl Hensley, 30, well known here where he was formerly employed by the Southern Pacific and the Richfield Service station, was killed at 1 a. m. today when the car he was driving went off Donner grade, 7 of a mile from the foot of the hill and was demolished. The California Highway Patrol said it was presumed the driver fell asleep at the wheel.

Hensley lived at Marysville. He was a brother of Demps Hensley of Norden.

The body was taken to the Truckee Colonial Mortuary by Truckee Ambulance.

The California Highway Patrol spent a busy week investigating 14 reportable accidents along with other enforcement duties. There were 10 people injured in five of the mishaps, and many cars were badly damaged.

Martin Diaconescu, 68, employed as a handyman here, was severely injured last Tuesday when he stepped in front of a car driven by Rolla Mallonee, 52, local truck driver, near the intersection of Bridge and Commercial Row. Mallonee said he saw the man step from between two cars, 18 feet from the pedestrian crossing, and could not stop to avoid striking him.

Diaconescu was taken to the Tahoe Forest Hospital by Truckee Ambulance.

In a three-car collision at Kings Beach Friday at 11 p. m., Sonja Gerston, 26, Santa Ana, was injured. Her car was struck in the rear by one operated by Tod Prouty, 17, of Irvington, who was cited for speeding and following too closely.

When Warren J. Gentry, 52, Berkeley, took his hands off the wheel to light a cigarette five miles north of Tahoe City Sunday at 11:30 a. m. his car went out of control and rolled down the embankment to the edge of the Truckee River. Prouty and his sister, Helen Conway, 50, were taken to the hospital for treatment and he was cited for not having his vehicle under control.

Jack Hennings, 36, and his wife, Mary, 32, of Richmond, were hospitalized when the new car he was driving went out of control four miles east of Truckee and went over the bank. Hennings later appeared before Judge F. W. Wilson and posted \$263 bail on a drunk driving charge.

Ralph W. Crowder, 70, Roseville, was accused of running the stop sign at the intersection of Highways 89 and 40 just east of Truckee Sunday night. His car crashed into one operated by Phillip Asal of Reno, injuring William Ost, 67, and Hazel Ward, 45, both of Reno, passengers in the Asal vehicle.

CHAMBER OFFICE TO BE REOPENED SOON

The office of the Truckee Donner Chamber of Commerce, inactive for the past few weeks, will reopen in the offices of the Truckee Public Utility District on a part-time basis starting Tuesday, August 23, Secretary Pat Tonini announced.

Mrs. Tonini will be in the office each Tuesday and Thursday between the hours of 2 and 4 p. m. to handle urgent matters, doing the major portion of her work at her home where arrangements are being made to install an extension telephone.

LOCAL BOYS PLAY IN ALL-STAR CLASSIC

Marty Kumle and Larry Rolleson of Truckee have been in Las Vegas this week to participate in the North, South All Star football game to be played August 19 at Las Vegas. The Police Protective Association of the southern Nevada city is the sponsor.

Both young men played football with the Tahoe Truckee High School last year and were chosen to represent this section of the Nevada league at the important game.

ROBERT HEUGA NOW STUDYING IN PARIS

TAHOE CITY — Robert Heuga, son of Mr. and Mrs. Pete Heuga of Tahoe City who has been a student of the University of California is now in Paris, France after visiting Egypt, Rome and other places of interest.

Young Heuga will study languages at the University of Paris, expecting to return to this country next year.

Cubs Have Outing—
Nineteen Cub Scouts returned home Sunday from a crisp, star studded overnight camping trip near Hobart Mills. Interested Scout leaders and parents accompanying the enthusiastic campers were William Davis, John Goldsmith, Robert Leamon, Barry Leamon, Reg Smart, George Wurst.

West Shore Notes

By NINA SLADE
Lambert 5-7751
P. O. Tahoma, Lake Tahoe

Commodore J. Allen Bray of the
Tahoe Yacht Club announces the
1960 Regatta will be held August
21 at 9:30 a. m. at the Chambers
Lodge course. There will be 14
races and the program will last
until shortly after 1:30 p. m. The
annual luncheon will be held at
Chambers Lodge on Saturday at
12 noon. All races except one are
limited to Tahoe Yacht Club mem-
bers. Trophies will be on display
at the lodge and will be presented
to the boat winning the most
points, will be awarded on the
American Power Boat Association
point system. The regatta com-
mittee is headed by Oliver Green-
lee. Other officers are A. T. Smith,
vice chairman; J. Philip Murphy,
official starter; Stannie Good, pub-
licity; Bonnie Visel, registrar; Fred
Main, announcer and R. Randolph
Walker, announcer.

Many residents and tourists can
hear the sad song of blue Lake
Tahoe singing "Don't Fence Me In"
and join sorrowfully in the chorus.
Part of the lakeshore along the
west shore is being fenced and thus
destroys one of the loveliest long
views across the lake to the Nevada
mountains.

We are late with this news but
Dr. Allen L. Sklar, Lake Tahoe fi-
nance chairman of the Tahoe Area
Boy Scouts of America, is appealing
for support of in Placer, Nevada
and Sierra Counties. More than
150 Cub Scouts, Boy Scouts and Ex-
plorers and their leaders partici-
pate in the North Lake Shore pro-
gram. This fall more boys aged
8 to 18 will want to join. We can
all help them by investing in this
fine program for youth. For the
first time in the Lake District history
a Camp-O-Ree will be held in the
area during September. At
present there are two Cub Packs
and two Scout troops with 51 adults
organized in the Lake area, a total
of 212. A new Explorer Unit for
boys 14 to 18 years of age will be

DEPARTMENT OF NATURAL
RESOURCES
DIVISION OF BEACHES AND
PARKS

INVITATION FOR BIDS

Sealed bids will be received by
the Division of Beaches and Parks
at 929 North El Dorado Street,
Stockton 2, California, up to
2:00 p. m., Friday, August 26, 1960,
at which time and place they will
be publicly opened and read for
performing work as follows:

Construction of a water system
at Donner Memorial State Park
near Truckee, Nevada County,
California, consisting in gen-
eral, of furnishing and instal-
ling asbestos cement and gal-
vanized steel water lines, hose
faucets, wharf hydrants, and
other miscellaneous facilities
in accordance with plans and
specifications therefore.

Bids must be submitted for the
entire work described therein.

Deviations from plans and speci-
fications will not be considered
and will be cause for rejection of
bids. The Division of Beaches and
Parks reserves the right to reject
any or all bids.

Contractors may examine or ob-
tain plans, specifications and bid
form by calling at 929 North El
Dorado Street, Stockton 2, Cali-
fornia, or by mailing a request to
Division of Beaches and Parks, 929
North El Dorado Street, Stockton
2, California.

No bid will be considered unless
it is prepared and submitted in ac-
cordance with the conditions set
forth in the proposal information.

The successful bidder will be re-
quired to execute a contractual
agreement in the form of a "Stand-
ard Agreement—Form 2", which
agreement shall be binding upon
the State of California only upon
approval by the Department of Fi-
nance.

In accordance with the provisions
of Section 1773 of the Labor Code,
the Division of Beaches and Parks
has ascertained that the generally
prevailing rate of wages applica-
ble to the work to be done is as fol-
lows:

Classification	Hourly Rate
Trenching Machine Operator	\$3.55
Pipe Layer	3.30
Painter (brush)	3.25
Laborer—General	3.05

Any classification omitted herein
not less than \$3.05 per hour. Over-
time, Sundays and Holidays, not
less than one and one-half (1½)
times the above rates. The Holi-
days upon which such rates shall
be paid shall be all Holidays re-
cognized in the collective bargaining
agreement applicable to the par-
ticular craft, classification or type
of workmen employed on this pro-
ject.

fire at the west end of Donner Lake on Conifer Drive. This could have been very serious if it had not been brought under control as the forest is very dry and there are also many summer homes in that area that could have been destroyed. The division of forestry was on hand as well as the Truckee Volunteer Fire Department. It was interesting to see the firemen coming from every direction when they heard the fire siren. Many were on their way even before they got

the call to report to the fire. I'd say we have a nice bunch of dependable firemen.

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department will meet at the Crystal Bay Club this Thursday on August 18 at 8 o'clock. The auxiliary likes to meet in various areas and especially patronize the businesses who take advertising in our Donner Lake Regatta program. The Crystal Bay Club has advertised with us for three years now so thought it would be appropriate to go to the Tahoe region since we haven't met there before. A very exciting evening was planned by hostesses Dolie Harris, Nancy Brodie, Martha

Cindy's Handcraft Gifts

Now on Display at

Bud's Electric

Hand Made Jewelry Inexpensively Priced

Drop In . . . Look It Over

Pankoke and Virginia O'Bear. Be sure to go and take a neighbor or friend. There will be a steak dinner with individual bottles of wine and pastry. This is for the regular price so if you do not have a way over, contact one of the hostesses. The regular board meeting was held Monday evening at the home of Mrs. Richard Quist. Another meeting was held Monday afternoon at the home of Dolie Harris when the hostesses got together to work on the table decorations.

A very important meeting was held at Lake Tahoe on the 10th of August when the Public Utilities Commission met with the Donner Lake Utility Company in regards to an application to increase rates for water. The meeting was continued the next day at Donner Lake Lodge and Commissioner Dooley and Examiner Daly were present as well as Mr. Atkinson, representative for the Donner Lake Utility Company. Mrs. Patti Trower appeared in behalf of the Donner Lake Property Owners Association and the decision of the trial will be made public on October 15. Many property owners from Donner Lake were present both days during the trial and many were on the witness stand, some for the increase and some against it.

Little Debbie Hansen celebrated her fifth birthday on August 12 at the home of her parents, Mr. and Mrs. George Hansen. After a swim, Debbie and her little guests enjoyed the traditional birthday cake and ice cream then she opened her gifts. Those present for the delightful party were Connie and Claudia Rhoades, Liz Tammy and Terrie Richards, Mary Lou and Joyce Randall, Gail Englehart and Jan Hawks. Debbie's sister, Shirell was on hand to help with the party and games.

Mrs. Alfred Greco spent the past week at Donner Lake visiting her daughter, Mrs. Danny Brack of Cottage Pines Motel. Since Rosalie had her mother here, George and Danny Brack took off to go hunting at Hull Mountain which is near Potter Valley. George came home empty handed but Danny was able to get himself a nice big buck.

There has been a lot of excitement around the Bill Davis home this past week. Sandy celebrated her ninth birthday on August 12 with 21 of her little friends and Julia Davis said they really had a ball at the beach. This week Bill and Rufus Fields are busy getting ready for a hunting trip to Alaska. They will be gone for ten days and will hunt for moose at Kanal Peninsula which is south of Anchorage. They are driving as far as Seattle and will go by plane the rest of the journey. I sure hope they come back with some moose.

Sunday school is doing real fine at Donner Lake and the youngsters are so happy that they can attend every Sunday from 1 p. m. until 2. This hour seems to be more convenient for the busy parents at Donner Lake. Every one is welcome to come and it is in the home of Mrs. Roger Brown.

Burros have a very broad diet. They have been known to masticate broken glass, newspapers, rags and tobacco.

A total of 84.5 million motor vehicle operators' licenses were outstanding in the U. S. during 1959.

1913—The movies were off and running into a new era of comedy

GOLDEN MOMENTS

In California history—47 years ago the silent films' "golden age of comedy" set a new standard for popular entertainment.
In California life—today, one beverage—light, bright beer—is our modern standard for moderation. Beer also means prosperity. Last year the Brewing Industry added over \$40.5 million to California's annual revenue—another reason why beer means better living for all in the "Golden State."

HIT, RUN DRIVER IN LAKE MISHAP SOUGHT

CRYSTAL BAY — The Douglas County sheriff's office is looking for an alleged hit and run driver in a tan 1957 or 1958 Mercury station wagon that ripped the left side from a car driven by Ruth Jane Beaubien, 37, of Crystal Bay at 3 a. m. last Thursday.

The sideswipe accident occurred on Anderson's Curve between the sheriff's office on Highway 50 and Cave Rock. The vehicle which failed to stop lost a tail light in the accident. Officers have issued an all-points bulletin in an attempt to locate the vehicle from which the rear light was torn. Sheriff's deputies also said they have some plastic paint peeled off

tween the ages of three and 13 years of age.

Children may be registered by calling the church office Olympic 8-9960 or the parsonage Olympic 8-4187. The registration fee for the five day session is \$1.

Any adults who wish to help in the leadership of this vacation church school may contact the Rev. Frank Evans at either of the above numbers. There will be a training session on Friday morning, August 19 at 10 a. m.

TWO FIRMS START ON INCLINE VILLAGE JOB

CRYSTAL BAY — Two of the most widely known engineering firms in the west today started design of water and sewer systems for the Incline Village development on Nevada's north shore of Lake Tahoe.

Retained to the dual project by the Crystal Bay Development Co., the firms are International Engineering Co., Inc., of San Francisco, subsidiary of Morrison-Knudsen Construction Co.; and St. Maurice, Helmkamp and Musser of Marysville.

Both were under the strictest instructions to provide fire protection for the area, and to take every step necessary to prevent pollution of Lake Tahoe or any streams running into the lake.

The two firms have already, as a joint venture, prepared a preliminary feasibility report covering both systems, indicating their scope and stage development possibilities.

Based upon these preliminary studies, the two engineering firms will now set about actual design of the systems. Field engineering alone is estimated to require a minimum of five months, while preparations of plans and specifications will probably mean that contracts cannot be let until March of 1961, representatives of the firms indicated.

Even though the contract with Crystal Bay Development Co. is on a joint venture basis, the engineers said, International Engineering will be primarily responsible for planning the water storage and distribution plant, and St. Maurice, Helmkamp and Musser, specialists in their field, will design a complete sewage collection system, treatment plant and effluent disposal.

CLOUD SEEDING NOT WATER PROBLEM CURE

SACRAMENTO—(CNS)—Cloud seeding isn't a cure-all for water shortages, according to all indications in a study made by the state department of water resources over the past three years in Santa Barbara County.

As a result of the report, it was indicated the state may abandon further experiments in cloud seeding.

Harvey Banks, director of the department, said that cloud seeding, like salt water conversion, may assist in solving some water problems on a local basis, but for long term solutions to problems "we feel the real answer in the foreseeable future is in making better use of developed water, and in further development of the vast amounts of undeveloped water now going to waste."

The report said that some increase in rainfall occurred when clouds were seeded during storms over Santa Barbara County, but pointed out the state "doesn't actually know whether the increase was a result of the seeding, or some other factor, such as a change in the weather pattern."

Banks said many years of data collecting would be necessary to determine the real value of cloud seeding, and that he could not justify the state's participation in such a project for the length of time required.

Based upon these preliminary studies, the two engineering firms will now set about actual design of the systems. Field engineering alone is estimated to require a minimum of five months, while preparations of plans and specifications will probably mean that contracts cannot be let until March of 1961, representatives of the firms indicated.

Even though the contract with Crystal Bay Development Co. is on a joint venture basis, the engineers said, International Engineering will be primarily responsible for planning the water storage and distribution plant, and St. Maurice, Helmkamp and Musser, specialists in their field, will design a complete sewage collection system, treatment plant and effluent disposal.

STRIKES & SPARES

BY JOE WILMAN
EASY DOES IT
WITH THAT
SECOND STEP!

Here's the second step in the four-step approach, a bit longer than the first step, but still not quite a normal stride.

As the left foot comes forward for this second step, the ball continues to drop into the backswing, as you can see from the illustration. It passes the right leg on the backswing as the second step's completed.

My bowling buddy, "Hurryn' Harry," always rushes this second step. He races to the foul line and tosses the ball out like a hot potato. But such haste only ruins timing. Your feet get to the foul line before the arm swing is completed and you wind up with extra strain on the arm. You might even drop the ball on the approach.

My advice to you is the same I gave "Hurryn' Harry": Keep the second step just a bit longer and slightly faster than the first step. In this way, footwork and arm swing will be timed together perfectly.

I also advise Harry to keep that right elbow in close to his body to help keep the arm swing in line. Straight back and straight forward does it for the arm swing. And keeping that right elbow in close to the body helps keep the arm swing straight.

MARTIS VALLEY

If I could go away a spell
And twenty years or so
Come back again and look around
To see how things did go.

I can hear old "Mac" a-swearin'
As I come round the hill
It must be the Irish in him
That is staying with him still.

I wonder too if "Johnny"
Would be standing by the door
Asking, "where's the smitty?"
As he's always done before.

And "Bill" the town surveyor
Trying to dodge me on the walk
I didn't want the finished map
I only want to talk.

And "Dick" the Donner Laker
With his sagebrush allergy
With his face and eyes so swollen
That he can hardly see.

And other men were standing there
Outside the fine glass doors
Watching the crowds go to and fro
No different than before.

I recognize so many
Tho I don't remember names.

The people seem so friendly
And the faces are the same.

I took the bus to the airfield
I had to wait in line
The people rushing here and there
With hardly any time.

The golf course is the finest thing
With finished eighteen greens
With tennis courts and tournaments
A picture from my dreams.

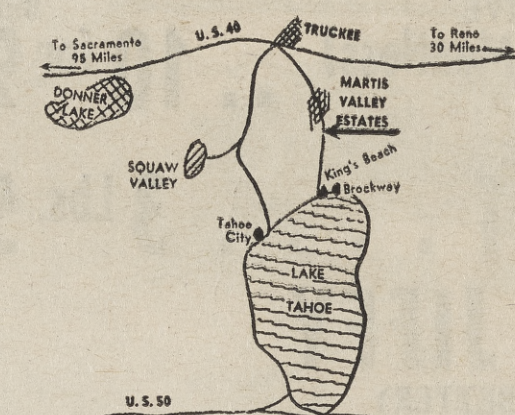

The winding streets and driveways
Of a small suburban place
A place in Martis Valley
Called Martis Valley Estates.

The country's building 'round us
As I can plainly see
It's growing, growing, growing
'Til there's hardly room for me.

I am thankful that I looked ahead
Just twenty years ago
And bought a patch of Martis Valley
So I could watch it grow.

A piece of land just large enough
To build my home and stay
In Martis Valley Subdivision
The future, (on sale) today!

CREDIT RATING FOR A FIREFIGHTER

How do you fight a fire? With water and hoses, axes, helmets, slickers and boots plus the courage of men... and lots of money. Money to provide fire-houses, fire trucks and equipment.

The money for many needed capital improvements in your community, such as schools, parking and fire protection facilities is usually raised from taxes and through the sale of municipal bonds.

But the ease with which your community can sell its bonds, and the interest rates it must pay, depends a great deal on the credit rating of your community. Are its industries and commerce stable and diversified? Is your community public debt light or heavy? Has your community met its prior obligations on schedule?

All of these questions, and a host of others, must be answered before a credit rating can be assigned to the bonds of your community. And then the ratings can run all the way from a triple A, the best, down to the worst... a C.

If your community is considering a project requiring bond financing, and would like more information on factors which tend to improve community credit ratings, contact the Municipal Bond Department of the Bank of America through our nearby branch, or call us direct. We offer, without charge, an advisory service covering not only community credit, but all phases of municipal financing.

FUNDS ARE NEEDED FOR IMPROVEMENTS

By NINA SLADE
TAHOMA—Tahoe Improvement and Conservation Association recently advised members of its efforts and plans so important to any lover of Lake Tahoe. The association needs funds to continue the fine progress on the inevitably long road to a master plan which will produce the best long-run solution to the problems of growth and development at Tahoe.

Eight local improvement clubs and property-owners' associations have joined TICA the past year which adds strength in TICA's representation of about 1,000 people. This figure impresses county planning commissioners and supervisors—even though most members do not vote at Tahoe. Additional members of individuals, clubs and associations will further strengthen TICA in its support of, or opposition to, specific matters that come before planning commissions and boards of supervisors. The El Dorado County associations were most helpful in TICA's efforts to persuade the supervisors of that county to restore planning to the Tahoe area and approve the master plan for Lake Valley. Strong, effective

TRUCKEE BIBLE CHURCH
(Non denominational)
Rev. Roy S. Rhoades, Pastor
Sunday School, 9:45 a.m.
Morning worship 11 a.m.
Sunday evening, 7:30.
Wednesday evening Bible study, Kings Beach, 7:30, home of Glen L. French.

We are all acquainted with the necessity of repairing and mending the various articles and mechanical devices we use in daily life. In the spiritual application we find that the believers need continuing refreshment and building up in the faith. The sermon title for next Lord's Day is "Mending the Saints."

CATHOLIC CHURCH

ESQUIRE TRIO NOW AT NEVADA LODGE

CRYSTAL BAY — The Esquire Trio, the popular vocal, instrumental and comedy group, are now playing a return engagement in the theatre-bar of the Nevada Lodge, located at the scenic north end of Lake Tahoe.

The Esquires, who have played in top supper-clubs throughout the west, may best be remembered for their performance in the MGM movie, "Tunnel of Love" with Doris Day.

Appearing with the Esquire Trio on the stage of the theatre-bar, are the Ann Edwards Headliners, and the Johnny Tremby Trio.

and intelligent representation, such as TICA provides, is worthy of the support of every Tahoe individual and association with a love for Lake Tahoe's beauty and a determination that it shall not be deplored, but improved by carefully planning.

Dr. Earl Anderson, president of the Emerald Bay Home Owners Association is serving as chairman of the Water and Sanitation Committee; and Milton Selby, president of the McKinney Bay Improvement Association is chairman of the Land Usage Committee.

COMMUNITY METHODIST CHURCH

Rev. H. R. Holler, Pastor
Bear & Dollyvarden Streets
Kings Beach

Tahoe City, California (Open all Year)
THE MOUNTAIN STORE AT THE LAKE OF THE SKY

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

Hot as the dickens, part of the day's nice and cool in the mornings, thank goodness. Good golfing days, it is wonderful to see them exercising, riding up and down on those comfortable golfing wagons.

OFF TO ARIZONA

Our neighbors the Andy Andersons, left the past week for Oakland and then on to Arizona after a glorious two week vacation in their home next to us.

ANOTHER VISIT

Joellyn Ashton is vacationing from San Jose, she has been up now for a few hours and all spent in the lake and loves it.

MOVED

Now we hear that Paul Adamco has bought a home on the Truckee cut will be fixed before 1970, not long huh?

YES, FOR NOTHING

Everyone is trying to get something for nothing. At the moment it's the public horse trail which runs along west of the Truckee River between Granlibakken and Squaw Valley, but the river is still public property. It looks as though it is going to take a jury trial to settle the argument. Some of the defendants actually placed rolls of barbed wire along the trail without regard to public safety, oh well, they might get caught in their own "mesh."

CROWD

The largest crowd of the season thronged all of Crystal Bay during the past week. The weather was made for the occasion. The golf course also had its biggest week. Now one hears the old familiar words "well, Labor Day's only a couple of weeks away. Where has the summer gone?"

DOGS

Dogs are still the center of discontent, although the pound authorities were called, we still have no action on the problem.

Tahoe Items

Mr. and Mrs. Wilber H. Haines of Sacramento, have bought a home at Marla Bay, Lake Tahoe and will live there part time. Haines retired as regional manager of a large oil corporation in northern California and western Nevada.

Robert Carley, 34 and Dolores Jensen, 26, both of Kings Beach were issued a marriage license at Reno.

Mr. and Mrs. A. J. Ketman of Tahoe City are leaving for Europe, planning an extensive tour of several months.

RESULTS GIVEN FOR 2ND JUNIOR REGATTA

TAHOMA — Following are the results of the second junior outboard regatta, sponsored by the Tahoe Yacht Club and held Sunday, August 7:

7 1/2 HP and under, drivers 13 and under, Alfred Patrick Marsten, first and Bobbie Mullin, second.

The remaining classes were for drivers 20 years of age and under: Class B hydroplanes in order of finish: Rocky Mullin, Bill Clegg and Hank Alrich; Class B utilities: Rocky Mullin, Tom Little and Tom Magan.

Runabouts, 19HP and under: Peter Charles, Roy Edmark, Bobbie Mullin; Runabouts, 20 through 36 HP: Doug McClure, Pat Magan, Steve Bryon; runabouts 37 through 50 HP: Bucky McNeill, Dan Best, Allen Bray; runabouts, 50HP and over: John Hill, Ralph Peer, II, Jim Carlson.

Results of the third junior regatta on August 14 will be announced next week.

Many fine old specimens of pines, cypress and redwoods are to be seen in Strybing Arboretum in San Francisco's Golden Gate Park.

Hand-drawn maps were made on papyrus as early as 1366 B.C.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

To Whom It May Concern: Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows: National Ave., 3 Blks., North of Hwy., 28, Tahoe Vista, Placer County, California. THREE FEATURES ON BAL TABARIN BILL

CRYSTAL BAY — Three feature acts share the spotlight this week at the Bal Tabarin at the north end of Lake Tahoe.

The Jo Ann Jordan Trio, versatile group well known to supper club audiences throughout the west features an imaginative array of comedy routines, parody and minstrel music.

Sharing the spotlight is the Harry Ranch Show featuring comedienne Allison McKay and starring the Sawyer Sisters vocal trio. The complete show produced and directed by Harry Ranch, noted for his exciting supper club extravaganzas features comedienne Allison McKay who "doubles in brass" on the vocal side with solos and duets with Ranch.

WEST SHORE NOTES

(Continued from Page 2)
grateful to those who gave such fine support to the affair in July. The Guild recently entertained the Major and Minor Little Leaguers at a wiener roast held in the yard of Mrs. Richard Carnell's home.

Mrs. William Reinhardt of Meeks Bay has been busy with guests at her Meeks Bay summer home.

Sherry Briner now living in Chicago is visiting her grandparents, the J. R. Sears, of Sunnyside.

The James K. Pearsons of Berkeley are enjoying their Rubicon house on vacation.

Last Sunday the John Drum's guests were asked to come in Roman costume to his annual Tahoe shindig at the family's Meeks Bay estate. Recent guests of the Drums were the George Helmers, the Oliver Scholles, Roy Thomson, Axel de Tristan, young John Drum, his son and Diana Drum.

The Bruce Dohrmanns entertained Mr. and Mrs. Elbert Ames, who later moved over to the Alfred Ducatos. The Charles Mayers and Tom Porters of Watsonville have been with the John Merrills. The Francis A. Martins of the bay area are at the Sheldon Cooper house to stay until Labor Day.

The Charles de Brettlevilles hosted the Charles Russells and the Robert Homanses of the peninsula. Harry Poett and daughter Jan are at the Poett place and Mrs. Poett was due home from Europe this week. The John L. Bradleys have settled into their Meeks Bay place.

Mrs. G. Howland Meyer and her two daughters are spending the month in Squaw Valley.

Two summer classmates of Dick Thieriot have been visiting him at the Tahoe summer home of his parents Mr. and Mrs. Charles Thieriot. The boys are Frank Nelson of Montclair, New Jersey and Harry Wadsworth of New York.

Don't forget to visit the Country Fair sponsored by the Soroptimists at Tahoe Lake School from 5 to 11 p. m. August 19 and 20. There'll be many booths and a white elephant table.

The Tahoe City Golf Club Invitational Tournament begins August 26. Juniors play August 26-27; Ladies, August 27; and Men, August 28.

Mr. and Mrs. Charles Philip Beardsley entertained in honor of their daughter, Elsbeth Elise and fiancée Robert Lee Ives, at a charming reception in their Tahoe City home Blue View, last Sunday. The couple will be married August 21 at St. Clement's Episcopal Church in Berkeley.

Mr. and Mrs. James Stephens, sister and brother-in-law of "Red" Anderson of Tahoe City, spent several days with him last week. They were en route to Aptos from Plains, Montana, where they plan to make their new home.

Voters in Placer County are reminded that they have until Sep-

tember 15 to register to vote in the November elections. Marie Henry advises that you can register at the Tahoe City Garage from 8 a. m. to 7 p. m. seven days a week until September 15.

The William Reeves are building a new home on Lakeview Drive, Tahoe City.

Mrs. Lester Roth and family spent some time at their Lake Forest home.

The jolly twinkling of "no vacancy" signs lit up this side of the lake and Tahoe City in a most satisfactory way last weekend. All restaurants in the area reported the heaviest trade of the season.

Young Jimmie Warden and son Leandro were up for a fishing trip in the Meeks Bay area recently. The elder Wardens built Ward Creek camp.

Dr. and Mrs. Henry Searles of San Francisco spent the weekend at Lake of the Sky Motel, getting in some golf at the Tahoe City Club. Driving up, they stopped to see his old family home at Nevada City.

Lewis Fellowes of Carnelian Bay has completed summer school at San Jose State and is back at work driving for Golden State.

Mr. and Mrs. Howard Tope of Compton enjoyed a visit with friends Marge and Bill Zeibig recently and bowled a few games at Kings Beach. Gladys Howard is the bowling champion in Compton and gave a few exhibitions of her skill while here.

Ron Kimball's dog, Rube, sure has expensive taste. While busy at his Richfield station in Tahoe City, Ron dropped two five dollar bills out of his pocket. Rube quickly swallowed one but Ron managed to rescue the other before the dog could digest it.

Herman and Lois Schaefer of the Pfeiffer House are back in the states after a European jaunt that began last winter.

Ken and Margaret Johnson of Tahoe City are enjoying a visit from her two sisters Vivien Bosse and son Clifford of New Orleans, and Era Lee Johnson of Baton Rouge, Louisiana.

Tahoe City Volunteer Firemen answered a call to a burning pier north of there last Sunday, apparently caused by careless burning of trash and garbage near the pier. About 15 feet of the pier burned.

Marie Henry attended a meeting of the Placer County Board of Health last week in Auburn. Dr. Richard F. White, director, is on leave and studying at Harvard University. Dr. Fair of the County Hospital will supervise the unit during his absence.

Young Dave Kettenhofen is working with Bob Anacletio at the May-Ah-Mee boat dock.

Mrs. Julie Bliss and daughter Marily McConnel have completed summer courses of Sacramento State College at the south side and were joined by husbands Leonard

Bliss and Jim McConnel at Skyland over the weekend.

Gracious Mrs. Ed Iverson of Skyland revived us on a hot day with a cool drink and reports the following news of summer people there. Noel Brown of San Jose was guest speaker at a Tahoe Rotary luncheon this month, bringing Ed Iverson as his guest. The Browns spent a week at their Skyland place.

Dr. and Mrs. R. K. Iverson of Yuba City celebrated her birthday August 6 with guests Dr. and Mrs. John Stankus and Dr. and Mrs. Warren Boyer of Yuba City. Dr. Ermarine Edwards spent the day last Sunday. Other recent guests were Dr. Margo Hawk and children, John, Richard and Margie. Mr. Hawk, who is district attorney at Yuba City, Dr. and Mrs. Herb Bradley came for the weekend.

The Harold Podmores enjoyed a visit from retired General Roberts and his son, also retired, Colonel Roberts of Washington, D. C. and San Jose. General Roberts, a young 87, drove west to California to meet his son.

Dave Merrill of Grass Valley and Harold Podmore and grandson Clark and Ed Iverson slipped off for a pleasant weekend of fishing up the Rubicon and returned with a fair catch.

The Dennis De Marias have painted their cabin a lovely Squaw Valley blue.

Recent guests of the Ed Iversons were daughter-in-law Lee and grandchildren Donna, Dale and Eddie of Modesto.

The Velikonias are remodeling their A-frame cabin which faces the lake.

Mrs. Albert K. Miller is reported resting easily at the Children's Hospital in San Francisco after treatment for a neck ailment.

Mr. and Mrs. Samuel Duncan Archibald of Ross, Marin County, were at their Dollar Hill home last weekend. The Archibalds returned recently from a world tour.

Mrs. Matt Green and her brother of Sacramento are visiting the N. R. Mayfields.

CHARLES OSBURN, Manager

JAN AMBLER, PHIL RAUSCH MARRIED

By VIRGINIA O'BEAR
The St. Luke's Lutheran Church in Reno, Nevada was the setting for the marriage August 6 of Jan Ambler and Phil Rausch, both popular young people of Truckee. The bride, the daughter of Mr. and Mrs. Harrison Ambler of Truckee, wore a ballerina length white lace bridal gown with seed pearl trim around the neckline. A crown of seed pearls held her shoulder length veil and she carried a small white Bible topped with a white orchid and stephanotis. Mrs. Harold Brown was matron

of honor wearing a blue nylon frock with matching crown and veil. She carried a pink bouquet. Harold Brown was best man and ushers were Jim and Gary Ambler, brothers of the bride. After the impressive ceremony which was at 2 o'clock, friends and relatives gathered at the Ambler home at 4 o'clock in Truckee for the reception where the bride and groom cut the beautiful three-tiered wedding cake. The newlyweds are making their home in Truckee where he is associated with the Sierra Pacific Power Company. There are 11 national forests and 47 game preserves in Montana.

DRAINAGE CONTRACT BID IS ANNOUNCED

A low bid of \$73,792.50 for surface drainage improvements on six miles of U. S. Highway 40 between Hampshire Rocks and Soda Springs in the high Sierra mountain region was received yesterday by the State Division of Highways, according to officials at the Marysville district office. Clements Construction Co. of Fremont was lowest of three bidders.

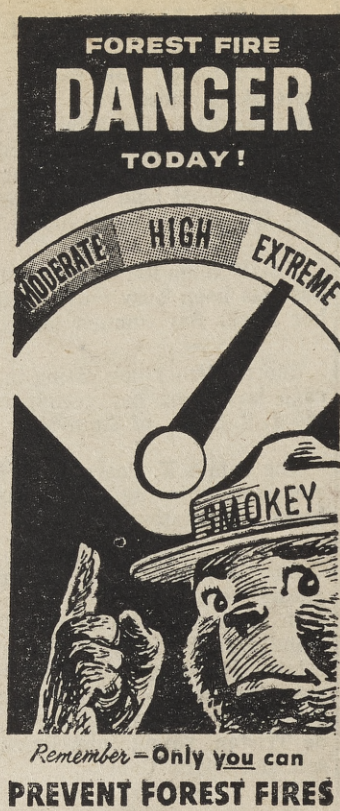

The project, located about 12 miles west of Truckee, will entail installation of larger drainage units to expedite snow pack removal and speed water drainage from the pavement during melt periods. Work will begin within two weeks after approval of the contract by the state attorney general, and is expected to be completed about two months thereafter. Little interference with traffic is anticipated except that one lane of traffic in either direction may be required at specific locations along the route. The four-lane divided freeway, completed last year, is also a part of Interstate Highway 80.

HEARING IS HELD ON WATER APPLICATION

The California Public Utilities Commission today was holding a hearing in the matter of the application of Quail Lake Water Company for an order authorizing the issuance of stock, for a certificate of public convenience and necessity to acquire and maintain a water system and for an order fixing water rates. Commissioner Matthew J. Dooley and Examiner F. Everett Emerson were conducting the hearing today in the Tahoe City Community Center.

TAHOE SEWAGE MAY BE EXPORTED UNDER COMMISSION PLANS

SACRAMENTO — (CNS) — At least some of the sewage of the Lake Tahoe basin may have to be exported and a sizeable part of the annual water yield from the lake may be needed to transport it, the joint interstate compact commission has been told. Harvey O. Banks, California director of water resources said the sewage problem is one of the most critical ones remaining in the effort to frame a water compact for the basin. Banks said Nevada law prohibits discharge of either treated or untreated effluent water into the lake and Nevada wanted a flat prohibition against it in the compact. Banks said he was convinced a substantial portion of the sewage would have to be exported outside the basin to retain the lake's purity for drinking and recreational purposes. The question then is how much of the 34,000 acre feet a year tentatively assigned for use within the basin might have to be used for transporting sewage. "We might wake up in a few years and discover that 23,000 feet of this water has been exported, leaving a local supply of only 11,000 feet," Banks said. "Thus one of the problems is who should be credited with the water shipped to other areas in movement of sewage, if it subsequently is treated and placed to beneficial uses of irrigation or recharging underwater supplies. Most Nevadans have expressed strong opposition to substitution of reclaimed water for their present fresh supplies. California collected more state taxes in 1959 than any other state.

'MARTYRED' MEN TO BE CHURCH FEATURE

For the second time in three years, the film "Martyred Men" will be shown at the Truckee Bible Church Sunday evening the 21st at 7:30. As before, William Denney will give an account of conditions for the missionaries in the area where this actual life drama took place. Denney has been in contact the past year with Marge Saint and will have many interesting and enlightening remarks to make about his experiences when he toured this field. All are invited to attend.

RECORD BROKE WITH TAX COLLECTIONS

AUBURN — Tax collector Earl Corin of Placer County reported record-breaking tax collections of \$6,189,254.61 during the fiscal year, with a delinquency of only \$190,967.27 or 3.08 per cent. This includes taxes collected for the county, school systems and other political subdivisions, Corin said.

GIRL FETED

Mr. and Mrs. Robert Hackett entertained 14 friends of their daughter Ann, Tuesday when her seventh birthday was celebrated. A specially decorated cake, games and the opening of gifts were enjoyed by the gay group.

HAPPY DAY

Fifteen young guests shared the birth date of Bruce, son of Dr. and Mrs. Ben King last Friday which included a supper party and gifts for the honoree. The evening concluded with swimming at Campbell Hot Springs.

Europe to Floriston—

Miss Lydia Craig is expected at her home at Floriston on August 28 following a trip to London, England where she was the guest of her grandmother and uncle. August 18 Miss Craig flew to Nice, France to board the U. S. S. Independence for New York.

Breaks Ankle—

Mrs. William Fries of Kings Beach had the misfortune to break her ankle this week, necessitating treatment at Tahoe Forest Hospital.

Visit From Visalia—

Mr. and Mrs. Robert Gifford and daughter of Visalia were visitors here last week.

Hedlunds Move—

Mr. and Mrs. Kenneth Hedlund have left Truckee to establish their home at Sacramento.

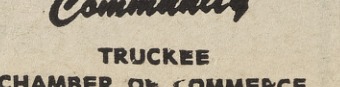

Colorado has more than 2,000,000 acres of land under irrigation.

TRUCKEE CHAMBER OF COMMERCE

LARRY ROLINSON TO ATTEND CAL POLY

New residence halls on the California State Polytechnic College at San Luis Obispo will be open to students for the first time this fall and residing in one of the new air-conditioned buildings will be Larry Allen Rolinson, son of Mrs. Ruth E. Holleman of Truckee. The new student will major in electronics at Cal Poly.

Flew North—

Peter Zydner received a letter from his son, Paul Zydner of Sunnyside and a frequent visitor here, during the latter's recent extensive business trip to Alaska. He said that from the air Kodiak was very similar to Truckee.

JOANNE BROWN WED TO FRANK APICHINA

KINGS BEACH — Joanne Brown and Frank Apichina of Kings Beach were married by Judge Frank Gregory of Nevada on Saturday night August 6 in the Wedding Chapel of Carson City. Attending the couple were Mrs. Peg Soles of Del Paso Heights, sister of bride and Sam Faulkner of Kings Beach. The bride is the daughter of Mr. and Mrs. E. J. Stokes, the groom is the son of Mrs. Theresa Sutton, all of Kings Beach.

Kings Beach— Fred Rockholm celebrated his August 16 birth date with Mrs. Rockholm and a group of friends who enjoyed a dinner party.

HERE'S PETER'S PRESENT. HAVE A NICE TIME AT THE PARTY.

HAPPY BIRTHDAY, PETER. HERE'S YOUR PRESENT.

YOU MAY OPEN YOUR PRESENTS NOW, PETER, AND LET YOUR GUESTS SEE THEM, TOO.

THANKS FOR THE SWELL BASEBALL, ROCKY.

I ALWAYS WANTED A BOOK -- BUT NOT VERY MUCH!

I HOPE THIS IS AS GOOD AS THE PRESENT YOU GAVE ME LAST YEAR, PENNY AND PAT.

WHAT WAS THAT?

A SET OF DRUMS -- IT WAS THE BEST PRESENT I GOT.

WHAT'S SO SPECIAL ABOUT DRUMS?

THEY'RE THE GREATEST! MY MOM GIVES ME A QUARTER A WEEK NOT TO PLAY THEM!
